Dedication

With great appreciation and pleasure, the annual staff of nineteen hundred and sixty-three dedicates this annual to our former superintendent, MR. PAUL CHESTER. In the past five years, Mr. Chester has done much to help the school and the students who attended Curlew High. We appreciate greatly Mr. Chester's efforts and those of our new superintendent, Mr. Boyle.

Faculty

MR. LAWRENCE BOYLE, SUPERINTENDENT

To the Students of Curlew High School:

This, our first year together at Curlew High, has been one of some changes and many adjustments. But I feel we have developed relationships of mutual respect, a sound basis for any future change or adjustment. It will be of my endeavor to foster the desirable relationships thus established, so all of us, teachers and students, can plan together the future of Curlew High School.

Let me be the first to congratulate the seniors of the Class of 1963. You have been good students. I wish for each of you a happy future.

Senior Class History

Seven students entered high school as freshmen in the fall of 1959. The sophomores initiated us a few weeks after school started. We held a few candy sales and made profits for our class.

As we began our second year of high school, our class consisted of Karen Bardwell, Cheryl Smith, and a new student, Ron Ferrel. We three sophomores initiated fifteen freshmen. Ron Burton joined us later in the year.

In our junior year, we, Karen and Cheryl, decorated our Junior Prom dance hall to the theme of "Easter Parade." Linda Wedekind and Eugene Wheaton reigned over our dance. A nice profit was made. The "Mountaineers" furnished the music.

To begin our senior year we had only two students. Glen Barnhill, Jon Proffitt, Don Gronlund, and Bill Sapp joined us during the year. Karen Bardwell and Jon Proffitt were chosen queen and king for our Halloween theme at the Senior Ball. We employed the "Columbia Wranglers" to furnish the music.

We have had a small class throughout high school but enjoyed our experiences.
